About the Friends

The Friends of the Fargo Public Library was organized in March 1995.

The Friends are volunteers who formed a non-profit organization, bringing together people who are interested in establishing a closer relationship between the Library and the public it serves.

Proceeds from the Friends' fundraising activities are spent on items which improve and expand the services offered by the Library. Fundraising activities include used book sales at all three branches, book bag sales, and membership support. Over 90% of the money raised is given back to the Library.
